

Compliance Statement

Declaration on the composition of direct production materials

PKT Präzisions-Kunststoff-Teile GmbH hereby confirms that, as a downstream user of substances/mixtures for the manufacture of customer-specific parts, we acknowledge and – where applicable – comply with the following regulations:

- RoHS Directive (EU) 2015/863
- REACH Regulation (EC) No. 1907/2006
- POP Regulation (EU) 2019/1021
- Conflict Minerals in accordance with EU Regulation 2017/821 and the U.S. Dodd-Frank Act

Our statements are based on information provided by material manufacturers (e.g. technical data sheets, safety data sheets, manufacturers' declarations). Without our own analytical testing, we cannot make absolute statements regarding the complete absence of specific substances.
